CREATIVE THINKING WITH MR KELLY

Name _____ Class _____ Date _____

By the end of this worksheet I can…

I DO Worked example

Read how a full-mark answer is built

A website run by a fizzy-drink company says their drinks help pupils concentrate.

1 Explain why you should be careful using this source. (2 marks)

Full-mark answer each ✓ is one mark

The company makes money from selling the drinks, so it may be biased in favour of them ✓. I would check who carried out the research and whether independent, reliable sources such as NHS or university studies agree ✓.

Why answers lose marks
