Award one mark per correct, developed point unless stated. Other valid answers should be credited.

2 Explain why Fail & Fix is valuable in creative work.

- Testing early shows problems while they are cheap and easy to fix
- Each failure gives information that improves the idea; showing it is evidence of learning

3 Quick check

- a) What would you change and why?
- b) Show what you learned and how you improved it
- c) A card model or sketch plan
- d) Testing an idea quickly

4 Key terms

- 1 – A
- 2 – B
- 3 – C
- 4 – D

5 Write a Fail & Fix entry for your portfolio.

- What I tried: the original design
- What happened: users found it confusing (evidence/quote)
- What I learned: too much text; message not clear in 3 seconds
- What I changed: cut text, larger single message, then re-tested

6 Explain what is meant by ‘Good feedback question’.

- "What would you change?" rather than "Do you like it?"

7 Explain what is meant by ‘Showing Fail & Fix’.

- Tried → happened → learned → changed
