CREATIVE THINKING WITH MR KELLY

Name _____ Class _____ Date _____

By the end of this worksheet I can…

- ☐ propose creative ideas based on my research
- ☐ generate lots of ideas before judging them
- ☐ choose a concept using criteria and feedback, and record why

I DO — Worked example

Read how a full-mark answer is built

You have six concepts for a kindness campaign.

1 Describe how you would choose the best concept. (3 marks)

Points that earn marks from the marking instructions: one ✓ per point

- ✓ Compare against the brief and research findings
- ✓ Score against criteria (originality, impact on the audience, practicality) in a table
- ✓ Get feedback from the target audience and record reasons for choosing and rejecting

WE DO — Guided practice

Use the starters and word bank to help you

Your research found that teenagers ignore posters but share short videos.

2 Write an annotation linking a concept to this research. (2 marks)

Sentence starters

One … is …, which means …

Another … is …, so …

Word bank

second · responds · finding · shareable · refers · research · Concept · explains

Tip: 2 marks = 2 separate, developed points.

YOU DO — On your own

No notes. Check your answers afterwards.

3 Quick check: tick one box for each.

a) Why record why you rejected some ideas?

☐ To fill pages ☐ It shows your critical thinking ☐ It's required by law ☐ It makes the folder heavier

b) When should you judge ideas?

☐ While you are still generating them ☐ Never: every idea is equally good ☐ After generating lots of them ☐ Before doing any research

c) What does "diverge" mean in idea generation?

☐ Generate lots of different ideas ☐ Pick one idea quickly and develop it ☐ Throw away ideas that seem odd ☐ Copy an existing product closely

d) What should concepts be based on?

☐ Whatever looks coolest ☐ The cheapest option ☐ The teacher's idea ☐ The research you've done

4 Key terms: write the letter of the matching description next to each term.

1. **Concept**	____	**A** More ideas make an original one more likely
2. **Diverge**	____	**B** A creative idea proposed in response to the brief
3. **Converge**	____	**C** Go wide: generate lots of different ideas without judging
4. **Quantity before quality**	____	**D** Narrow down to the best ideas using your research and the brief

5 Explain what is meant by ‘Linking concepts to research’. (2 marks)

6 Explain what is meant by ‘Comparison table’. (2 marks)

Check and reflect

Mark your answers with the answer sheet. Go back to the checklist on the site and re-rate each “I can” statement above. Which one still needs work?
