I DO — Worked example

Read how a full-mark answer is built

You are writing a personal statement for a design course.

1 Describe how you could use your Creative Thinking portfolio as evidence. (2 marks)

Points that earn marks from the marking instructions: one ✓ per point
- ✓ Give a specific example of research, testing or a failure you learned from
- ✓ Link it to skills the course wants: creativity, problem-solving, critical thinking

YOU DO — On your own

No notes. Check your answers afterwards.

3 Quick check: tick one box for each.

a) Which are metaskills?
☐ Typing, filing and keeping accurate records ☐ Creativity, critical thinking and problem-solving ☐ Drawing and painting skills only ☐ Maths, spelling and number skills only

b) How can your Creative Thinking portfolio help after school?
☐ It can't really be used for anything after school ☐ Only for applying for jobs working in schools ☐ It can support applications to art school and design courses ☐ Only for sports, leisure and fitness courses

4 Key terms: write the letter of the matching description next to each term.
