Empathy & user-centred design

CREATIVE THINKING WITH MR KELLY

Level 6 · Thinking tools · Worksheet

Name _____ Class _____ Date _____

By the end of this worksheet I can…

- ☐ create a persona and an empathy map from research
- ☐ write a "How might we…?" question
- ☐ consider inclusive design

I DO — Worked example

Read how a full-mark answer is built

Brief: a product or service that helps older people in your town stay connected.

1 Create a persona for a typical user. (4 marks)

Full-mark answer each ✓ is one mark

Margaret, 78, retired, lives alone in a flat on the edge of town ✓. She wants to see her grandchildren more and get to the community centre ✓. She has no car, the bus is infrequent, and she isn't confident using video calls ✓. Based on interviews with three residents at the lunch club ✓.

Why marks are not awarded

"An old lady who is lonely."

1 point: very little detail and not based on research.

WE DO — Guided practice

Use the starters and word bank to help you

You interviewed a first-year pupil who said: "I got lost every day in the first week and was too embarrassed to ask."

2 Write a "How might we…?" question based on this. (2 marks)

Sentence starters

One … is …, which means …

Another … is …, so …

Tip: 2 marks = 2 separate, developed points.

Empathy & user-centred design

Level 6 · Thinking tools · Worksheet

YOU DO **On your own** No notes. Check your answers afterwards.

3 Quick check: tick one box for each.

a) Why design inclusively?

☐ It is always cheaper to make ☐ It uses fewer colours and materials ☐ It isn't useful for most people ☐ It often makes things better for everyone

b) A persona should be based on...

☐ Your imagination only ☐ Your research about real users ☐ A famous celebrity ☐ Your best friend

c) Which is a good "How might we" question?

☐ Make a poster about the school to give to all new pupils. ☐ Is the school building too big for new pupils to manage? ☐ How might we help new pupils find their way round school on day one? ☐ Design a new logo and badge for the school uniform.

d) What are the four parts of an empathy map?

☐ Says, thinks, does, feels ☐ Who, what, where, when ☐ Cost, size, colour, shape ☐ Research, concept, test, evaluate

4 Key terms: write the letter of the matching description next to each term.

1. **Persona**	____	**A** A question that turns a problem into a design challenge
2. **Empathy map**	____	**B** Each step the user takes, with highs and lows
3. **User journey**	____	**C** A realistic profile of a typical user based on research
4. **"How might we…?"**	____	**D** What the user says, thinks, does and feels

You are designing a new playpark.

5 Describe what goes in each section of an empathy map for a parent with a pram. (4 marks)
