National 5 · Design & DTP · Worksheet

Name _____ Class _____ Date _____

By the end of this worksheet I can…

- ☐ explain the role of thumbnails and annotation
- ☐ identify DTP features in a layout: text wrap, reverse, drop shadow, bleed, flow text along a path, columns, gutter
- ☐ explain why a serif or sans serif font suits a layout

I DO — Worked example

Read how a full-mark answer is built

A designer produces several small, quick layout sketches before using DTP software.

1 Explain two benefits of thumbnails. (2 marks)

Full-mark answer each ✓ is one mark

Thumbnails are a quick way to try out a range of layout ideas before committing to one ✓. They can be shown to the client for feedback early, saving time on the final DTP layout ✓.

Why marks are not awarded

"They are small and easy."

0 marks: no benefit is explained.

WE DO — Guided practice

Use the starters and word bank to help you

A sportswear poster uses a sans serif font.

2 Explain why a sans serif font suits the poster. (1 mark)

Sentence starters

One reason is … because …

Another reason is … so …

Word bank

Tip: 1 marks = 1 separate, developed points.

YOU DO **On your own** No notes. Check your answers afterwards.

3 Quick check: tick one box for each.

a) The space between two columns is the...
☐ Gutter ☐ Margin ☐ Bleed ☐ Header

b) White text on a black box is...
☐ Transparency ☐ Reverse ☐ Drop shadow ☐ Bleed

c) Why does a designer extend the background past the trim edge?
☐ To use more ink and give stronger colours ☐ To add a white border round the edge ☐ So no white edge shows after cutting (bleed) ☐ To make the margins wider

d) A sans serif font suits a modern layout because...
☐ It looks clean and modern and is easy to read ☐ It looks formal and traditional, like a newspaper ☐ It looks like handwriting, so it feels personal ☐ It is always printed in bold, so it stands out

4 Key terms: write the letter of the matching description next to each term.

1. **Thumbnail**	____	**A** Text flowing around an image.
2. **Gutter**	____	**B** Text following a curved line.
3. **Bleed**	____	**C** Background extending past the trim edge so no white edge shows.
4. **Reverse**	____	**D** Light text on a dark background.
5. **Text wrap**	____	**E** Small, quick layout sketch for generating ideas.
6. **Flow text along a path**	____	**F** The gap between columns.

5 Explain the relationship between A4 and A3 paper sizes. (1 mark)

A leaflet has white text inside a dark circle, body text flowing around a curved image and a shadow under each photo.

6 State the DTP technique used for each. (3 marks)

A promotional layout is being designed in DTP software.

7 Describe four features of the layout that DTP software helped to create. Refer to the layout. (4 marks)
