I DO — Worked example

Read how a full-mark answer is built

1 Describe two benefits to a company of having a strong brand name. (2 marks)

Full-mark answer each ✓ is one mark

Customers trust the brand's quality, so they buy from it again and again, giving repeat sales ✓. The company can charge a higher price than unbranded competitors because people pay for the name ✓.

Why marks are not awarded

"Everyone knows it."

1 mark at most: "well known" alone was given 1, not 2.
