Answers and marking guidance

Award one mark per correct, developed point unless stated. Other valid answers should be credited.

2 Describe two benefits to a company of having a strong brand name.

- Customers trust the quality so they buy again (loyalty)
- The company can charge a higher price
- New products sell more easily on the brand's reputation
- The brand advertises itself, giving guaranteed sales

No marks for: "Well known" on its own scores 1 only
