CREATIVE THINKING WITH MR KELLY

Name _____ Class _____ Date _____

By the end of this worksheet I can…

- ☐ use mind maps, brainstorming and Crazy 8s
- ☐ use SCAMPER, random words and worst possible idea
- ☐ think laterally and borrow ideas from nature or other industries

I DO — Worked example

Read how a full-mark answer is built

Brief: reduce the amount of food wasted in your school canteen.

1 Use SCAMPER to generate three different ideas. Name the letter used for each. (3 marks)

Full-mark answer each ✓ is one mark

Substitute: smaller plates so pupils take less food ✓. Eliminate: remove trays so people only carry what they'll eat ✓. Put to another use: leftover bread goes to a community fridge or is made into croutons ✓.

Why marks are not awarded

"Smaller plates, smaller plates in a different colour, smaller bowls."

1 point: ideas are all variations of one idea and no SCAMPER letters are named.
