Answers and marking guidance

Award one mark per correct, developed point unless stated. Other valid answers should be credited.

2 State two other types of building drawing an architect would produce and the information each shows.

- Location plan: the site in relation to the surrounding area and roads (1:1250 or 1:2500)
- Site plan: the building within the site boundary, paths, drainage and trees (1:200 or 1:500)
- Elevations: the external appearance from each side
- Sectional view: construction details through the building

3 Quick check

- a) 1:50 or 1:100
- b) Which way the door swings
- c) Slope of the ground
- d) Location plan

4 Key terms

- 1 – A
- 2 – C
- 3 – B

5 Explain what is meant by ‘North point’.

- Symbol showing which way is north on a plan.

6 Explain what is meant by ‘Contours’.

- Lines joining points of equal height, showing slope.
