5 Explain the relationship between A4 and A3 paper sizes.

- A3 is double the size of A4 (or A4 is half A3), with the same proportions

No marks for: "Bigger" or "smaller"

6 State the DTP technique used for each.

- Reverse
- Text wrap
- Drop shadow

7 Describe four features of the layout that DTP software helped to create. Refer to the layout.

- Colour fill: the strap and circles are filled in the same colour
- Layering the watch over the heading creates depth
- Bleed: the background runs off the edge of the page
- Cropping removes the background from the product photo
- Text wrap around the image
- Imported images placed accurately using guides

No marks for: "Speeds up production" (a general benefit, not a feature)
