I DO — Worked example

Read how a full-mark answer is built

A poster for a smartwatch has a large white "65%" over a black background and a "BUY NOW" button in the same white.

1 Explain how two design elements or principles have been used to create visual impact. (2 marks)

Full-mark answer each ✓ is one mark

The white "65%" contrasts strongly with the black background, so it stands out ✓. It is also the largest element on the poster, so it dominates and is the first thing the viewer reads ✓.

Why marks are not awarded

"Contrast and dominance have been used to make it stand out."

0 marks: no items in the poster are referred to.
